Home page:

The screenshot shows the home page of the Express Poll application. The browser's address bar displays the URL `127.0.0.1:8000/polls/`. The page features a green header with the 'EXPRESS POLL' logo on the left and navigation buttons for 'Home', 'About', and 'Logout' on the right. Below the header, a section titled 'Latest Polls on Country-Capital' lists five poll questions, each in a white box with a green link: 'Rate the app', 'Do you think the price is high?', 'Did your child like the Country-Capital game?', 'How was the user experience?', and 'Was the game beneficial for your child?'. A small bar chart is visible at the bottom left of the poll list. The Windows taskbar at the bottom shows the system clock as 08:15 on 11-12-2024.

About page:

The screenshot shows the 'About' page of the Express Poll application. The browser's address bar displays the URL `127.0.0.1:8000/polls/about/`. The page features a green header with the 'EXPRESS POLL' logo on the left and navigation buttons for 'Home' and 'About' on the right. Below the header, a section titled 'Why Choose Our Polling App?' contains a paragraph: 'Our polling app provides a seamless experience for gathering feedback and making informed decisions. With a user-friendly interface and real-time results, you can engage your team like never before.' This is followed by a 'Features:' section with five white boxes, each containing a feature: 'User-friendly interface for quick poll creation.', 'Multiple question types to suit your needs.', 'Real-time results for instant feedback.', 'Anonymity options to ensure honest responses.', and 'Customizable polls with your branding.' The Windows taskbar at the bottom shows the system clock as 08:16 on 11-12-2024.
